

2011 TUCKER'S POINT JUNIOR GOLF CAMP

Our specialized teaching methods reach out to children on their level and instruct in all aspects of proper play in a fun and creative manner. We group students by a combination of factors that include age, maturity and ability.

Our goal is to create enthusiastic, well-mannered Junior Golfers who walk away from our camp with a love of the game and a solid foundation of skills that they can build upon.

With a teacher student reation of 6:1, each of the Juniors will receive ample imdividual and group instruction from Tucker's Point's professional team. As with all our golf group programs, we supply clubs to those who need them.

Instruction Includes:

- Bunker Play - Chipping - Contests - Course Management - Etiquette - Golf Swing - Instructional Videos
- On-course Play - Pitching - Putting - Prizes - Rules of Golf - Strategy & More!
